

Project Website: <http://www.connectingcookcounty.org>

MetroQuest: Available on the <http://www.connectingcookcounty.org> project website and kiosks throughout Cook County.

- **MetroQuest:** an online community engagement platform that enables the public to provide meaningful feedback that will be used to prioritize transportation projects and ultimately shape the future of the County's transportation system.
- MetroQuest will be available for a total of nine months, in three phases; as we identify issues, develop an overview of potential improvements, and prioritize improvements.
- Individuals will be able to access MetroQuest a number of ways including the project website, iPads, and through kiosks which will be rotated throughout Cook County.
